

FSU LIBRARIES' DEDICATION TO GRADUATE STUDENT SUCCESS

Jeff Phillips
Devin Soper

"Libraries help graduate students to graduate by providing access to research materials and research infrastructure and teaching auxiliary research skills that are often not taught in classrooms"

-Dr. Kyung Kim

Opportunities

1

Collections

\$2-3 million in unmet collections needs

81st of 127 ARL members in total expenditures and materials expenditures

2

People

With more people, we can provide better support for:

- Statistical analysis
- Evidence synthesis
- Data visualization

3

Space

More stack space for book-centred disciplines

Better facilities for advanced research collaborations

Thank you for attending this
presentation.
